LF Antitrust policy notice

› Linux Foundation meetings involve participation by industry competitors, and it is the intention of the Linux Foundation to conduct all of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that attendees adhere to meeting agendas, and be aware of, and not participate in, any activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.

› Examples of types of actions that are prohibited at Linux Foundation meetings and in connection with Linux Foundation activities are described in the Linux Foundation Antitrust Policy available at http://www.linuxfoundation.org/antitrust-policy. If you have questions about these matters, please contact your company counsel, or if you are a member of the Linux Foundation, feel free to contact Andrew Updegrove of the firm of Gesmer Updegrove LLP, which provides legal counsel to the Linux Foundation.

    › See page

Update

The University of Montevallo is interested. No interest from students yet.

Bill: If you can connect Joe with department or prof, we can pursue LF Edge Associate Membership, then mentorship.

New Items

RCOS student team has completed many Hacktoberfest issues related to documentation and example services.

- Now working on qr-code-generator-service, status update later today.
- Then service-restcam
- Some are interested in conducting a Webinar at the conclusion of the term.
