

TAC Subgroup

Overview

The LF Edge TAC has assembled a subgroup to assist in tackling targeted tasks (to include PLD and existing Project Taxonomy). Results are reported back up to the TAC for their review, and vote, when necessary.

The Subgroup meets bi-weekly and reports back results on [weekly TAC calls](#).

The Subgroup welcomes additional volunteers from the community to participate.

Option A: Dial-in information can be found below.

Option B: Join the TAC Subgroup mail list at <https://lists.lfedge.org/g/TAC-subgroup> to be added to the recurring meeting invitation.
