Project Resources / Templates

Overview

The purpose of this page is to provide common resources for the Projects under LF Edge to leverage.

Presentation Material / Individual Project Overview Decks

- Akraino Edge Stack - Overview/Introductory Slides - *last updated 2019-05-08*
- EdgeX Foundry - Overview/Introductory Slides - *last updated 2019-04-17*
- Glossary Project - Overview/Introductory Slides - *last updated 2019-04-19*
- Home Edge Project - Overview/Introductory Slides - *last updated 2019-04-02*
- Project EVE - Overview/Introductory Slides and You Tube Presentation - *last updated 2019-05-06*
- Fledge - Overview/Introductory Slides - l*ast updated 2020-02-05*

If looking to leverage project specific slides for a Meetup presentation/other, please email info@lfedge.org to request PPT version. Please include in your email what the intended usage will be.

Note: LF Edge Overview Deck and Getting Involved Guides are always accessible via https://www.lfedge.org/, under Resources, as well

---

Other templates

- Name badges (for F2F meetings)
  - Most common size is Avery Size 5395
- Tent Cards (for F2F meetings)
  1. Below is based off of Avery Large Embossed Tent Cards - Size 5309 (as listed on Amazon.com) (other Project logos available here)
  2. https://www.avery.com/myaccount/projects
  3. Select *Already have a file?* (Upload Project)
  4. Upload LFEdge.avery
  5. Update, Preview, Print

If you have a template for the community to leverage, please add above. Thanks!
