

# 2023-04-04 Meeting notes

## LF Antitrust Policy Notice

Linux Foundation meetings involve participation by industry competitors, and it is the i of the Linux Foundation to conduct all of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that attendees adhere to meeting agendas, and be aware of, and not participate in, any activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.

Examples of types of actions that are prohibited at Linux Foundation meetings and in connection with Linux Foundation activities are described in the Linux Foundation Antitrust Policy available at <http://www.linuxfoundation.org/antitrust-policy>. If you have questions about these matters, please contact your company counsel, or if you are a member of the Linux Foundation, feel free to contact Andrew Updegrave of the firm of Gesmer Updegrave LLP, which provides legal counsel to the Linux Foundation.

THE LINUX FOUNDATION

OLFEDGE

## Date

04 Apr 2023 Recording: 28 minutes

## Attendees

- Joe Pearson

- Four PRs merged in the last two weeks
  - Two from new Contributor [George Lindner](#)
    - [Issue 480](#): Allow cards to expand to two columns on the /docs index page
    - [Issue 404](#): Shrink nav bar to remove wasted whitespace
  - Two from [Joe Pearson](#)
    - [Issue 490](#): Fix orphaned pages
    - [Issue 491](#): Fix broken links

## Discussion items

- Migrate ~~"exchange-api" README to /docs and replace contents~~ - **done**
- Working on [cluster](#) and [cluster agent](#) documentation - **still in progress**
  - Single-node clusters vs multi-node clusters - **document both options**
  - On-host install vs remote install - **will clarify in instructions**
  - Supporting new architectures (arm64, ppc64le, riscv64)

- Ensuring we have operator examples - **Doug has a sample ready for testing**
  - Nginx working on the new architectures
  - Getting KubeArmor and Cilium example operators
  - Anything else?
- Populating the Exchange MMS with appropriate packages and configuration - **Doug gave instructions that work, documenting now**

## Action items

- ☑ Joe Pearson open issue to fix docs home page into MD and point out top nav links.
- ☑ Rene Cherny review and prioritize the open 14 documentation tasks
