TAC Subgroup

UPDATE

The TAC approved disbanding of the TAC Subgroup on Monday, February 17, 2020. Email reference.

Overview

The LF Edge TAC assembled a subgroup to assist in tackling targeted tasks (to include PLD and existing Project Taxonomy). Results were reported back up to the TAC for their review, and vote, when necessary.

The Subgroup met bi-weekly and reported back results on weekly TAC calls.

The Subgroup welcomed additional volunteers from the community to participate.

Option A: Dial-in information can be found below.

Option B: Join the TAC Subgroup mail list at https://lists.lfedge.org/g/TAC-subgroup to be added to the recurring meeting invitation.
