

2023-05-02 Meeting notes

LF Antitrust Policy Notice

Linux Foundation meetings involve participation by industry competitors, and it is the i of the Linux Foundation to conduct all of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that attendees adhere to meeting agendas, and be aware of, and not participate in, any activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.

Examples of types of actions that are prohibited at Linux Foundation meetings and in connection with Linux Foundation activities are described in the Linux Foundation Antitrust Policy available at <http://www.linuxfoundation.org/antitrust-policy>. If you have questions about these matters, please contact your company counsel, or if you are a member of the Linux Foundation, feel free to contact Andrew Updegrave of the firm of Gesmer Updegrave LLP, which provides legal counsel to the Linux Foundation.

THE LINUX FOUNDATION

LF EDGE

Date

02 May 2023 recording: [18 minutes](#)

Attendees

- [Joe Pearson](#)

- [One PR closed](#), [Joel Elrod's](#) first commit.
- No broken links detected, and [two orphaned pages exist](#) in navigation but don't have file links in content
 - What [Just the Docs configuration](#) has as "permalink: pretty" is not detected as a link to a specific markdown page
 - Either not all generated page content is being crawled, or some relative links are not resolving properly
 - As a result, a relative path to a markdown file beginning with a directory reference appears to be best
- Time to update the project "[home page](#)" [content](#) for LF Edge.
- Video demos:
 - [Agent auto upgrade](#)
 - [Agent 2.30 new features](#)
 - Exchange API CORS headers TBD
- Do we need closer ties with [Feature Request Candidates](#)?
 - ~~List should show status of candidate~~ - [done](#)
 - Do we have input into required fields?
 - How can we ensure documentation and demo videos are created?

Discussion items

- Are we documenting supported environments properly?
- How can we recruit more regular contributors to the Working Group? How would they benefit? From what sources should we recruit them?

Action items

- ☒ Joe Pearson Turn demos into standalone YouTube videos, embed into documentation 16 May 2023
