- Some new demos in recent WG meetings to edit and add to the documentation. First, open issues to support.
- RCOS presentation given last Friday for Spring 2024 semester. No word yet on volunteers
- Troy will be giving IBM JumpStart presentation at the end of January.
- Need to identify and train alternate/backup Chair for this WG
- Added third commercial product that embeds Open Horizon: IBM Hybrid Cloud Mesh. Need to talk to that team about documentation.
