

2024-04-15 Meeting notes for Realtime Workload Metrics

LF Antitrust Policy Notice

Linux Foundation meetings involve participation by industry competitors, and it is the intention of the Linux Foundation to conduct all of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that attendees adhere to meeting agendas, and be aware of, and not participate in, any activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.

Examples of types of actions that are prohibited at Linux Foundation meetings and in connection with Linux Foundation activities are described in the Linux Foundation Antitrust Policy available at <http://www.linuxfoundation.org/antitrust-policy>. If you have questions about these matters, please contact your company counsel, or if you are a member of the Linux Foundation, feel free to contact Andrew Updegrove of the firm of Gesmer Updegrove LLP, which provides legal counsel to the Linux Foundation.

Date

15 Apr 2024

Attendees

- [Joe Pearson](#)

Goals

- Is the basic demo running?
- Do we have 1min and deep dive demo videos ready?
- Is there a demo script we can collaborate on?
- Can anyone install master, query, and operator EdgeLake nodes from [the service repository](#)? (os-dev is stable)
- Flesh out [the demo landing page](#).
